APPOINTMENT AND REGISTRATION OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "Management Designees").

A Shareholder has the right to appoint a person other than a Management Designee, to represent the Shareholder at the Meeting by striking out the names of the Management Designees and inserting the desired person's name in the blank space provided in the enclosed form of proxy or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Shareholder.

VOTING BY PROXY

Only registered Shareholders as of the Record Date or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Designees as proxyholder, the Management Designee will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

If a registered Shareholder who has a proxy attends the virtual Meeting and accepts the terms and conditions when entering the Meeting online, any votes cast by such Shareholder on a ballot during the Meeting will be counted and the previously submitted proxy will be disregarded. If registered Shareholders DO NOT wish to revoke all previously submitted proxies, they should not accept the terms and conditions, in which case such registered Shareholders can only enter the Meeting as a guest.

COMPLETION AND RETURN OF PROXY

Completed proxies must be sent by mail or fax to the Company's registrar and transfer agent, Computershare Investor Services Inc., at its offices at **100 University Avenue, 8th Floor Toronto, Ontario, M5J 2Y1** or by fax or at **1-866-249-7775 in Canada and the United States, and 001-416-263-9524 outside of Canada and the United States (according to the instructions on the form of proxy)**, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently. **You may also vote on the Internet or by telephone.**

In all cases, all proxies must be received and all proxyholders must be registered before 10:00 a.m. (Vancouver Time) on Friday, July 21, 2023, or in the case of adjournment or postponement of the Meeting, not less than 48 hours excluding Saturdays, Sundays and holidays, prior to the time of the Meeting.

NON-REGISTERED HOLDERS

Only Shareholders whose names appear on the records of the Company as the registered holders of Shares or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are "non-registered" Shareholders because the Shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the Shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "**Nominee**"). If you purchased your Shares through a broker, you are likely an non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the form of proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order to ensure that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("**NOBOs**"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("**OBOS**").

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) of the Canadian Securities Administrators, the Company has elected to send the Meeting materials indirectly to NOBOs through Broadridge.

If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

The Company is not sending the Meeting materials to Shareholders using “notice-and-access”, as defined under NI 54-101.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a Shareholder, his attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting or to Computershare Investor Services Inc. at its offices at 100 University Avenue, 8th Floor Toronto, Ontario, M5J 2Y1 or by fax at 1-866-249-7775 in Canada and the United States, and 001-416-263-9524 outside of Canada and the United States

The Company's Stock Option Plan provides that the maximum number of options eligible for issuance under the Plan is equal to 10% of the number of common shares of the Company outstanding from time to time. As required by the policies of the Exchange, as this plan is considered a "rolling plan" it requires approval by the shareholders of the Company on an annual basis, which will be sought at the Meeting. Employment, consulting and management agreements

Other than set out herein, the Company did not have any formal employment, management or consulting agreements under which compensation was provided during the most recently completed financial year or is payable in respect See *Termination and Change of Control* for further details.

Termination and Change of Control Benefits

The Company does not have any pension or retirement plan which is applicable to the NEOs. The Company has not provided compensation, monetary or otherwise, during the most recently completed financial year, to any person who now or previously has acted as an NEO of the Company, in connection with or related to the retirement, termination or resignation of such person, and the Company has provided no compensation to any such person as a result of a change of control of the Company. The Company is not party to any compensation plan or arrangement with a NEO resulting from the resignation, retirement or termination of employment of any such person.

There are no compensatory plans or arrangements between the Company and a NEO with respect to the resignation, retirement or other termination of employment of the NEO, a change of control of the Company or a change in the NEO's responsibilities following a change of control of the Company.

Compensation Review Process

The Company does not have a formal compensation program. The Company's officers in most cases are compensated based on a daily or fixed monthly, amounts and are paid indirectly through professional management and consulting companies in which they are owners, contractors or employees. In establishing fees or salaries for the Company's CEO, other executive officers and directors, consideration is given to salary ranges for comparable positions in similar size resource industry companies. Data for such comparisons is obtained from the evaluation of compensation against industry peers including those with a similar market capitalization, in the business of exploring similar minerals in similar jurisdictions, and from reviewing similar other companies' compensation information included in their information circulars. In setting salaries within competitive ranges, the Company considers performance related factors including the Company's overall results during the past year and its performance relative to a budgeted plan or stated objectives. Consideration also is given to an individual's contribution to the Company and the accomplishments of departments for which that officer has management responsibility, and the potential for future contributions to the Company.

In keeping with the relatively simple compensation structure adopted by most venture issuers, the Company's executive compensation for its executive officers has two primary components, cash compensation and incentive stock options.

Compensation Risk Assessment and Mitigation

Although the Company does not have formal policies specifically targeting risk-taking in a compensation context, the practice of management and the Board is to consider all factors relating to an executive officer's performance, including any risk mitigation efforts or excessive risk-taking, in determining compensation.

Under the Company's policies, executive officers and directors are not permitted to purchase financial instruments (including prepaid variable contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by the executive officer or director.

Elements of Executive Compensation Program

The Company's compensation program consists of the following elements:

- (a) base salary or consulting fees;
- (b) bonus payments; and
- (c) equity participation through the Plan.

Base Salary or Consulting Fees

Base salary ranges for NEOs were initially determined upon review of salaries paid by other companies that are comparable in size to the Company.

In determining the base salary of a NEO, the Board considers the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries paid by other companies in the same industry, which were similar in size and stage of development as the Company;

- (c) the experience level of the NEO;
- (d) the amount of time and commitment which the NEO devotes to the Company; and
- (e) the NEO's overall performance and performance in relation to the achievement of corporate milestones and objectives.

Bonus Payments

Each of the NEOs, as well as all employees, are eligible for an annual bonus, payable in cash or through option-based compensation. The amount paid is based on the Board's assessment of the Company's performance for the year. Factors considered in determining bonus amounts include individual performance, financial criteria (such as cash management and share price performance) and operational criteria (such as significant acquisitions of mineral properties and the attainment of corporate milestones). The Company did not award any bonuses during its financial years ended July 31, 2022.

Equity Participation

The Company currently offers equity participation in the Company through the Plan.

Executive Compensation

Except for the grant of Options to the NEOs and any compensation payable pursuant consulting fees incurred for the performance of duties by the CEO the CFO there are no additional arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

Director Compensation

The Company does not currently pay compensation to non-management directors, nor are they paid for attendance at board meetings. The directors are reimbursed for expenses occurred in carrying out their duties as directors and are granted Options from time to time.

The Plan allows the Company to grant Options to the officers, employees and directors. The purpose of granting such Options is to assist the Company in compensating, attracting, retaining and motivating the directors of the Company and to closely align the personal interests of such persons to that of the Shareholders.

MANAGEMENT CONTRACTS

No management functions of the Company are performed to any substantial degree by a person other than the Board or NEO's of the Company.

INFORMATION ON CORPORATE GOVERNANCE

The following information of the Company’s Corporate Governance Policy is given in accordance with Form 58-101F2 of National Instrument 58-101.

Board of Directors

The Board is currently composed of three directors, and it is proposed that three directors will be nominated at the Meeting.

Form 58-101F2 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 58-101, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. “Material relationship” is defined as a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Of the proposed nominees, one (1) nominee, Lawrence Nagy is considered “not independent” as Mr. Nagy is the current President and CEO and is considered an “inside” or management director. Each of the remaining two proposed directors are considered by the Board to be “independent”, within the meaning of NI 58-101. The independent board determines executive compensation from time to time.

Directorships

The following table sets forth the directors of the Company who currently hold directorships on other reporting issuers:

Name of Director	Other Issuer
Lawrence Nagy	Golden Ridge Resources Ltd.
William Lindqvist	Golden Ridge Resources Ltd.

Orientation and Continuing Education

The Board does not have a formal orientation and education program for new directors. Upon joining the Board, each director is provided with an orientation program regarding the role of the Board, its committees and its directors, and the nature and operation of the Company’s current and past business. They are also provided with a copy of the audit committee charter.

The Board encourages directors to participate in continuing education opportunities in order to ensure that the directors may maintain or enhance their skills and abilities as directors and maintain a current and thorough understanding of the Company’s business.

Ethical Business Conduct

Corporate governance is the structure and process used to direct and manage the business and affairs of a corporation with the objective of enhancing shareholder value. The Board believes that the Company has in place corporate governance practices that are both effective and appropriate to the Company’s size and business operations.

To facilitate meeting this responsibility, the Board seeks to foster maintaining a culture of ethical business conduct and social responsibility as critically important. Management consistently strives to instill the Company’s principles into the practices and actions of the Company’s management and employees.

In that regard, the Board adopted a written **Code of Business Conduct** (the “Code”) for its directors, officers, employees and consultants. A copy of the Code can be found on the Company website at www.damaragoldcorp.com and has been posted on SEDAR at www.sedar.com;

Compensation

The Company has not yet established a compensation committee and to date, decisions regarding compensation for the directors and the executive officers have been made by the independent board members.

Other Board Committees

The Company has no committees other than the audit committee. The Company is small and until now the duties of the recommended committees have been performed by the plenary Board. Going forward, upon the expansion in the size of the Board, the Board will review its corporate governance practices and consider, among other matters, whether it would be desirable to establish additional committees of the Board.

Assessments

The Board has not yet established a formal performance review process for assessing the effectiveness of the Board, the audit committee or the individual directors. It is expected that the contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the reasons for which the individual was nominated for appointment to the Board. The Company will continue to develop its approach to corporate governance in light of its own circumstances and what are recognized as best practices in this area.
